Upper Makefield Fire Company

50 years of Protecting History

The 50th Anniversary Committee, on behalf of the entire Upper Makefield Fire Company membership, would like to thank all those who served before us. You are the foundation upon which we have built our legacy. Your hard work, dedication and sense of community has been an inspiration to us all.

From your humble beginnings, you gave us the courage to meet the demands of our expanding community

With limited resources, you thrived. Because of you, we are better able to grow to meet the everchanging needs of our neighbors.

Your tireless sacrifices in the past have taught us to persevere through the increasing training requirements placed on our volunteer emergency personnel.

We look forward to proudly protecting history for the next 50 years.
